

Aylesford School Sports College

20th March 2017

Dear Parent/Carer,

Year 11 Easter revision sessions

We will be running some additional study sessions over the Easter break to provide your son/daughter with opportunities to prepare for their final exams or to complete controlled assessment tasks. Details of each of the sessions can be found overleaf.

All students who attend will need to arrive promptly for the start of the sessions and students should enter the school via the main gate and the main entrance doors at reception. All students must sign in at reception when they arrive. It is important that we know who is on site at all times. Students will be met by their subject teacher in reception and escorted to the relevant classrooms.

Staff have kindly given up their time to plan and deliver the revision sessions and we ask that students are respectful and arrive with a positive work ethic. Poor attitude to learning will not be tolerated and students will be asked to leave if behaviour is unacceptable.

When students leave they will be escorted back to reception to sign out. It is important that all students sign out at the end of the revision sessions and leave the school site promptly. There should be no students on site after 3:00pm

Ultimately, these sessions are provided to help students prepare for their exams and we ask that they approach them with the commitment and dedication that is needed to bring about success.

In order to prepare for the sessions we would ask that your son/daughter indicates which sessions they will be able to attend on the survey to be found at: <https://www.surveymonkey.com/r/aylesfordeaster2017>.

Many thanks for your continued support in ensuring your child is fully prepared for the final exams.

Kind regards,

Mr R. Silvester
Deputy Headteacher
