Aylesford School Anti-Bullying Policy

This policy is based on DfE guidance “[Preventing and Tackling Bullying](#)” July 2017 and supporting documents. It also considers the DfE statutory guidance “[Keeping Children Safe in Education](#)” 2021 and ‘[Sexual violence and sexual harassment between children in schools and colleges](#)’ guidance. The setting has also read Childnet’s “[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)”.

www.gov.uk/government/publications/approaches-to-preventing-and-tackling-bullying

1) Policy objectives:

- ||| This policy outlines what Aylesford School will do to prevent and tackle all forms of bullying.
- ||| The policy has been adopted with the involvement of the whole school community.
- ||| Aylesford School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links with other school policies and practices

- ||| This policy links with several school policies, practices and action plans including:
 - o Character and Behaviour Policy
 - o Complaints policy
 - o Child protection policy
 - o Online safety and Acceptable Use Policies (AUP)
 - o Curriculum policies, such as: PSHE
 - o Mobile phone and social media policies
 - o Searching, screening and confiscation policy

3) Links to legislation

- ||| There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - o The Education and Inspection Act 2006, 2011
 - o The Equality Act 2010
 - o The Children Act 1989
 - o Protection from Harassment Act 1997
 - o The Malicious Communications Act 1988
 - o Public Order Act 1986

4) Responsibilities

- ||| It is the responsibility of:
 - The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, that a member of the senior leadership team has been identified to take overall responsibility.
 - o Governors to take a lead role in monitoring and reviewing this policy.
 - o All staff, including: governors, senior leadership, teaching and non-teaching staff, to

support, uphold and implement this policy accordingly.

- o Parents/carers to support their children and work in partnership with the school.
- o Pupils to abide by the policy.

5) Definition of bullying

- ||| Bullying can be defined as “*behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally*”. (DfE “Preventing and Tackling Bullying”, July 2017)
- ||| Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- ||| This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- ||| Bullying is recognised by the school as being a form of child on child abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

What probably isn’t bullying?

“One off” conflicts are rarely bullying – these include basic and simple arguments, falling out, disagreements, changes of friendship groups that happen naturally over time and normal day to day events that are isolated and unintentional such as picking sports teams or spending time with other friends. Bickering, isolated incidents of arguing. A physical altercation may not always be bullying depending on the situation, what caused it and the individual’s role in this. A “one off” incident where the other party recognises their behaviour was wrong, apologises and corrects this and it does not happen again is not bullying. This doesn’t mean the person feeling bullied doesn’t feel bad – they do, but this can be supported and helped in other more appropriate ways.

6) Forms and types of bullying covered by this policy

- ||| Bullying can happen to anyone. This policy covers all types and forms of bullying including:
 - o Bullying related to physical appearance
 - o Bullying of young carers, children in care or otherwise related to home circumstances
 - o Bullying related to physical/mental health conditions
 - o Physical bullying
 - o Emotional bullying
 - o Sexual bullying

- o Bullying via technology, known as online or cyberbullying
- o Prejudicial bullying (against people/pupils with protected characteristics):
Bullying related to race, religion, faith and belief and for those without faith
- Bullying related to ethnicity, nationality or culture
- Bullying related to Special Educational Needs or Disability (SEND)
- Bullying related to sexual orientation (homophobic/biphobic bullying)
- Gender based bullying, including transphobic bullying

7) School ethos

- ▮▮▮ Aylesford School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- ▮▮ By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- ▮▮▮ **Our Community:**
 - o Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - o Supports staff to promote positive relationships to help prevent bullying.
 - o Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - o Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - o Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - o Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - o Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - o Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
 - o Seeks to learn from good anti-bullying practice elsewhere.
 - o Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to bullying

- ▮▮▮ The following steps may be taken when dealing with all incidents of bullying reported to the school:
 - o If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.

- o The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate. This will include listening to students and recording their voice as part of the process
- o The headteacher/Designated Safeguarding Lead (DSL) or another member of leadership staff or pastoral support managers will interview all parties involved to ensure that there is an accurate picture of the thoughts and feelings of those involved.
- o The DSL will be informed of all bullying issues where there are safeguarding concerns and these will be recorded on CPOMS
- o The school will speak with and inform other staff members, where appropriate.
- o The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- o Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- o If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children’s social care, if a child is felt to be at risk of significant harm.
- o Issues that occur outside of school hours are the responsibility of parents/carers. Parents/Carers should contact the police or other agencies if appropriate and they concerned. The school will support parents/carers with this process if appropriate.
- o Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school’s behaviour policy.
- o A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

A “LINE IN THE SAND” AGREEMENT?

Bullying is often more complex than it would first seem and sometimes starts with one off social issues or disagreement which cause distress and upset. Other times it is simply a repeated and unprovoked case of someone being nasty and unpleasant to someone else. Often bullying starts within friendship groups. Either way, it needs to be resolved so that all involved can come to school feeling safe, happy and ready to learn. In order to achieve this the school has to make its expectations clear regarding conduct. A line in the sand agreement is where both parties agree to a set of expectations that will eliminate the bullying or disagreement between individuals or groups of students. For example, it might be agreed that 2 students will avoid speaking to each other or will not contact/ add each other on social media. Once this “line in the sand” has been agreed then it is made clear that all parties agree not to cross this line and are made aware of the serious consequences that follow. That way, if that if anyone does not conform to this agreement, they are clearly making a choice to bully or intimidate the other child and can be very clear that the sanction will be serious. Once agreed, a line in the sand is non-negotiable and students do not get a second chance to comply with this following the agreement being made. A line in the sand agreement is communicated to parents of all students involved so they can support their child with this process.

Cyberbullying

- ||| When responding to cyberbullying concerns, the school will:
 - o Act as soon as an incident has been reported or identified.
 - o Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
 - o Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
 - o Take all available steps where possible to identify the person responsible. This may include:
 - || looking at use of the school systems; identifying
 - || and interviewing possible witnesses;
 - || Contacting the service provider and the police, if necessary.
 - o Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - || Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - || Confiscating and searching pupils' electronic devices, such as mobilephones, in accordance with the law and the school searching and confiscation policy. Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
 - o Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
 - o Inform the police if a criminal offence has been committed.
 - o Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - || advising those targeted not to retaliate or reply;
 - || providing advice on blocking or removing people from contact lists; helping
 - || those involved to think carefully about what private information they may have in the public domain.

 - o Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.

Supporting adults

||| Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

||| *Adults who have been bullied or affected will be supported by:*

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
