

March 2026

Dear Parent /Carer,

Aylesford School offers students the opportunity to study a wide range of subjects in order to develop skills which ensure that students become well rounded individuals. To participate in their lessons, students will need to purchase the equipment outlined below. In practical subjects such as Art, Resistant Materials and Food & Cookery, a payment of £50 will need to be made via Parent Pay. This will cover the cost of ingredients in Food and Cookery throughout the entire year and the cost of materials that will be required in Resistant Materials and Art.

A letter will be sent out in September to explain how to use Parent Pay, this will include your individual login. Payment of £50 **must** be made before **Monday 7th September 2026**. If there are any issues with this, please contact the school office.

Equipment to be purchased before September to be used in all subjects:

Biro pen blue/black x2

Pencil x2

Pencil sharpener

Pencil case

30cm Ruler

Rubber

Pair of Compasses

Scientific calculator

Highlighters

Protractor

Glue stick

Set of coloured pencils

We very much look forward to welcoming all students in September 2026.

Yours sincerely,

Mr P Blair
Year 6 Transition Coordinator
