

SPIRITED ARTS COMPETITION

Join hundreds of students from around the world taking part in a national RE competition. The idea is to produce an artform on a specific theme. Themes are listed on the website below.

You can choose one the following style of art.

- Art (painting, drawing, sketching etc)
- Poetry
- Photography
- Dance
- Music
- Drama
- Sculpture

Follow the link if you are interested and send your entry to Mrs Baker for submission.

YEAR 7

You are completing a project known as the Island.

You are basically setting up a new civilisation with rules, rites of passages and even a creation story.

Try to be as creative and imaginative as you can.

YEAR 8

You are looking at how humanity can protect the world.

Taking each religion in turn we are looking at how we can live more sustainably, whether we are religious or not.

GCSE

Year 9

You are revising Themes A & B from the AQA GCSE specification. The themes will eventually form 50% of your examination. **Therefore this is very important foundation work.**

Year 10

You will be revising **all** the themes sequentially. Tasks set are good practice for the examination series, especially the sample questions.

I have been impressed by the work and motivation shown by students thus far.
