

Dear Parents/Carers,

The business is classed as non-essential retail and therefore will remain closed with a planned reopening date of April 12th*. However, the website is running as normal and any orders can be placed online. Orders can be delivered via free school delivery, home delivery (£1.95) or click and collect.

We will be offering a click and collect service starting on Monday 1st March. This is available between 10am and 2pm on weekdays. Please note that this is only available for pre-ordered items and customers will need to show their order dispatch confirmation to collect.

Alternatively, delivery to school occurs every Friday and home delivery is currently taking 3-5 days.

Upon reopening, appointments are not necessary to visit the shop but will be available for new students. A queuing system will remain in operation outside of the shop until further notice. If you have any queries, please do not hesitate to contact us via email or phone.

As always, we aim to fulfil all customer orders as quickly and safely as possible.

***this date is subject to government guidelines/changes.**

Kind Regards,
Sam Page
