

Volunteer COVID testers and administrators

Required for January 2021

In January 2021 Aylesford School aims to begin rapid testing of asymptomatic staff and students.

Can you help as a volunteer to enable us to run this testing program which has the potential to keep students in school?

We aim to establish a small testing facility to enable staff and students to have regular, rapid tests. We will be using the Lateral Flow Tests which will be supplied to us by the government.

We are seeking temporary volunteers from January who can help us between 9am and 1pm Monday to Friday. You may be a parent, a retired teacher or a retired NHS worker. Full training and PPE will be provided.

Without volunteers we will not be able to offer this valuable service.

Please see the link below to find out more on the COVI0044 19 National Testing Programme for Schools and Colleges;

To apply, please send an email explaining how you might be able to help to tanya.kelvie@aylesford.kent.sch.uk

Aylesford School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. All posts are subject to an Enhanced Disclosure Application to the Disclosure and Barring Service and check against the ISA Barred List for children.
