

### Parent and student guide to homework - Year 8

Homework is set on Teams primarily – there is also a summary of homework for each subject on the school website

Homework is an important part of a students education and should be completed to the standard we would expect in class. We encourage students to plan their time to ensure they are not completing all their homework in one evening as this would not be productive for them – the timetable below should help you manage homework as a family.

#### When is homework due for submission?

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
8x1	Art Science ICT Maths	English RS Music Geography			History French
