## Summer Scheme

**Y2 Crew is a referral scheme for residents of Tonbridge and Malling and run as a partnership between Tonbridge and Malling Early Help & Preventative Services and Tonbridge & Malling Borough Council, with funding from the Community Safety Unit and Safer Kent.**

The scheme provides a wide range of activities with something to suit all ages and abilities, so why not experience a summer with a difference!

**The programme operates weekdays from Monday 25 July to Friday 12 August 2022.**

Each activity is led by qualified instructors and youth workers all of whom are vetted by the Disclosure and Barring Service where appropriate and trained in basic first aid.

# Booking Information

**If you are interested in attending one of the weeks activities (Tonbridge, East Malling or Snodland), here is what to do next:**

Ask your parent/guardian/youth worker to book online at [www.tmbc.gov.uk/y2crew](http://www.tmbc.gov.uk/y2crew)

A confirmation email will be sent to every applicant but, should you have any questions regarding your booking, email [lesure.services@tmbc.gov.uk](mailto:lesure.services@tmbc.gov.uk)

To discuss any special circumstances, please contact your KCC early years team.

No payment will be required as all activities are free of charge.

Whilst every effort will be made to accommodate all children booking onto activity weeks, numbers will be limited and strictly adhered to. For safety purposes the Council may have to refuse permission for a child to participate in an activity if it believes that the health and safety of that child, or anyone else, will be endangered as a result (whether or not a prior booking has been accepted by the Council).
